

First Named Inventor: PEREZ, Jean-Phillipe
Application No. 10/595,086

Amendments to the Drawings

The attached sheets of drawings include the addition of Figs. 2-6, which have been removed from the specification and are submitted herewith as new formal figures.

Attachments: New Sheets

First Named Inventor: PEREZ, Jean-Phillipe
Application No. 10/595,086

Remarks

The amendments are made in response to the Examiner's request. The specification has been amended to add headers and remove drawings from the description. The drawings have now been added as formal figures. Descriptions of the drawings are fully supported by the application as originally filed and do not add any new matter.

The specification also has been amended to incorporate text that was amended to the specification during the Chapter II stage of the international application. These amendments are made to submit material fully supported by the specification and drawings as originally filed and which should have been published with the application. The Substitute specification submitted herewith includes no new matter.

The application is now considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

No fees are believed due at this time. However, please charge any fee deficiencies or credit any overpayments to deposit account number 12-0913.

Respectfully submitted,

Date: June 29, 2009
